## Add-on Options

Item#	Add-on Item	Annual Fee (USD)	Description
22020	<b>Sandbox</b> ( max calls: 1,000,000 )	\$12,000 / year	Each data residency includes one sandbox environment by default. This add-on extends the simulation capacity.
22019	<b>API Key / Call(s)</b> ( max calls: 2,000,000 )	\$12,000 / year	For system-to-system integration, e.g. ERP or CMMS.
22026	<b>Additional Storage</b> ( per 1,000 GB )	\$3,600 / year	Expand your data capacity flexibly as your assets and inspection records grow.
22031	<b>OneGlobal Dashboard</b>	\$120,000 / year	For multi-jurisdiction governance and an executive compliance overview (Platinum & Prestige tiers).
22021	<b>Data Residency</b> ( per country )	\$50,000 / year	Establish local data storage per country to comply with national data laws.
22032	<b>Private Cloud Environment</b>	\$240,000 / year	For regulated industries (Oil & Gas, Utility, Military Defense, Government) requiring isolated infrastructure.
22022	<b>BlueTick</b>	\$6,000 / year	The company logo is displayed only after purchase.
22018	<b>Online Training</b>	\$300 / hour	Instructor-led online sessions for RiConnect system setup and compliance certification.

(Global Pricing) - Effective 2025-Nov-20
